

Minutes ANJHHWC Meeting
Sept. 12, 2007

Meeting was called to order by President Alain Fortier, who welcomed everyone and Thanked Melinda Williams and Salem County Utilities Authority for hosting this meeting.

Melinda Williams gave a brief overview of the facility, landfill and services they provide to Salem County residents.

Treasurer's Report was given by Chris Sikorski; currently there is \$8,512.84 in the account of that \$4, 970 is from the Merck grant.

Discussion ensued regarding the items each county collects at a household hazardous waste event. Members discussed the collection of propane tanks at HHW events; seems that some counties are having difficulties disposing of these cylinders.

Members carpooled to Poore's Propane Power in Dover, Delaware where we had a luncheon meeting with Mike Steiner. Mr. Steiner gave a description of the Poore's propane business followed by a tour of the facility.

Meeting was adjourned.
