**Welcome / President's Report**

ANJHHWC President Gemenden began the meeting at 11:08 am and welcomed everyone to the virtual ANJHHWC meeting. Ms. Gemenden began the meeting announcing that she made an executive decision to spend a substantial amount of funds on a surprise promotional item. Although the other board members were consulted prior to the decision, she took full responsibility for making it final. Ms. Vigilante made a motion to approve the decision and Mr. Gindoff seconded the motion and the motion passed.

**Treasurer's Report**

Mr. Sikorski stated that the current account balance as of today is \$22,497.38 after paying website maintenance dues for the remainder of the year as well as after paying a recent bill in the amount of \$1,914.59 for promotional items. Mr. Costantino made a motion to approve the treasurer's report, seconded by Mr. Gindoff and the motion passed.

**Approval of Minutes**

Ms. Gismondi made a motion to approve the minutes from the virtual meeting that took place on August 4, 2020. Ms. Vigilante seconded the motion and the motion passed.

**PaintCare**

Mr. Waters reiterated the past attempts and failure to pass PaintCare legislation. Efforts are now concentrated on finding someone in the governor's office who can be the conduit to bring the proposed legislation to fruition. One of the main issues appears to be the fee added to each can of paint. Other efforts to increase support will focus on finding more environmental groups that will endorse the legislation.

**ACV Enviro Curbside HHW Collection Programs**

Kelly Menzel and Brian Swanson from ACV Enviro presented information on how their company can provide mobile HHW collection services (home collection services).

**Hazardous Waste Compliance Monitoring Fees**

James Deacon from Morris County provided an overview regarding the hazardous waste compliance monitoring fees and how HHW programs are exempt from paying these fees.

**Website Update**

President Gemenden mentioned recent changes to the ANJHHWC website including the addition of a Vendor Spotlight section where business members can showcase their offerings.

ANJHHWC board members have also worked on a PSA and a sample was played during the meeting.
